Two Local Men Win Commissions

Upon successful completion of the Officer Candidate Course at the U. S. Army Infantry school at Fort Benning, Georgia, two local men were commissioned second lieutenants, last week. The new officers are Lloyd Eugene Stone, husband of Mrs. Genevieve Stone, a member of The Record's reportorial staff, and Michael Paul Kerekes, son of Mr. and Mrs. Michael Kerekes, 775 Niantic avenue, Daly City.

Stone enlisted in the army, in 1940. He was released before Pearl Harbor but recalled to active duty, February 2, 1942. He

served at Camp Roberts, California, and Camp White, Oregon, before going to Officer Candidate school, three months ago. He held the rank of technician, third grade, before being commissioned. He is a graduate of the Ferndale high school and the son of Mr. and Mrs. Eugene Stone, Fortuna, California.

Stone was employed by the Cypress Lawn cemetery in civilian life and he and Mrs. Stone made their home in Daly City.

Kerekes is a graduate of Jefferson Union high school and San

KEREKES

Mateo junior college. He was inducted into the army, January 12, 1942, and served at the Presidio of Monterey. Before being commissioned he held the rank of corporal.

At the Fort Benning Infantry school, world's largest institution of its kind, the local officers took a three months' course to fit them for their new responsibilities. The course covers the technique of handling all the varied modern infantry weapons and the tactics of leading small infantry units in combat. The men who attend the Officer Candidate schools are the best privates, corporals, and sergeants from the entire army, selected by their superiors for outstanding intelligence and qualities of leadership. According to U. S. Army officials, the men who graduate with commissions are America's finest soldiers, fully qualified to be leaders in the nation's new army.

Red Cross Needs More Financial Aid

Daly City-Colma Quota Of $4,700 Not Reached

More contributions for the American Red Cross poured into War Fund campaign headquarters in the Daly City-Colma area, this week, as the 1943 wartime drive for financial aid went into its third week here.

Reports of chairmen supervising the campaign in Daly City and Colma indicated that the local Red Cross organization is showing signs of success, despite the fact that they have a long way to go to reach the $4,700 mark, which has been set up by the San Mateo County chapter as the quota for this community.

What the Red Cross stands for and what it has accomplished in America in the past half a century is perfect proof of the need for support of the organization's financial needs.

Serving her nation to the utmost in the last World War and continuing her help in the present war, the Red Cross has long been recognized as the best possible medium of charity on a nation-wide scale. The Red Cross is financed solely by contributions of the public, and receives no financial aid from the government. Regular audits of the War department are made of all receipts and expenditures of the American Red Cross and a report, copies of which are available to the public, is submitted annually to Congress.

Mrs. M. Pauline Brown, Colma chairman of the War Fund campaign, reported the drive to be

Last Call For Late Book 2 Applicants

All local persons who have not yet received their copies of War Ration Book Two may apply in South San Francisco, today and tomorrow, it was announced, this week by Miss Genevieve Blue, newly appointed chief clerk of War Price and Rationing Board No. 83-12-3.

Containing the all-important coupons used in the rationing of canned foods and soon to be used for meat, butter, cheese, and food oils, the books will be issued at South San Francisco high school beginning at 1 p. m. this afternoon. Hours will be from 1 p. m. to 6 p. m., and from 7 p. m. to 9 p. m. both today and tomorrow. Miss Blue urged all persons in Daly City and Colma who have not received ration books to get them at the South San Francisco high school this week without fail. Ration books were given out to others, last month.

"We have made special arrangements with high school officials to use the school for this registration for books," Miss Blue said, "and we sincerely hope that ev-

Install Five More Blue Lights

Hope To Cut Down South End Dimout Violations

Police Chief James G. Reardon announced, today, the approval of five more blue street lights which have been set up at the south end of the Daly City-Colma area to indicate boundaries of the zone of restricted lighting.

Control of Daly City's dimout traffic problems has been increased somewhat by the installation of the new blue light signals at points where motorists are required to dim their driving lights. The street lights near the boundaries are covered by blue globes, and the ones on the driver's right side are to be heeded.

Following San Francisco's example, Chief Reardon had the five additional blue lights set up in the south end to aid motorists entering the city from the south and travelling northward.

"The blue lights have been in effect for the past three weeks," Chief Reardon said, "and, in that time, they have lowered the weekly dimout traffic tags quite a bit."

Practically all of Daly City is in the zone of restricted lighting set up by the Army in last year's dim-

Senior Air Raid Wardens To Discuss Porch Lights

Harry Melicker, chief air raid warden for Daly City, will explain his decision to ask the city council to pass an ordinance demanding the removal of porch lights here, when the senior air raid wardens hold their regular business meeting, tomorrow night, March 19, 8 p. m. at the city hall, 75 Wellington avenue. He will also report on the progress of the plan to issue Civilian Defense maps to the wardens. The maps are nearing completion and will give a comprehensive picture of Daly City's civilian defense setup.

Senior air raid wardens are now distributing general evacuation instructions to local residents. Issued by the San Mateo County Evacuation committee, the circulars describe the mode of behavior to be adopted in the event of an invasion or conflagration.

All senior air raid wardens in the community are urged to be present at tomorrow night's meeting.

Advises Purchase Of Stirrup Pumps

In a move to prepare residents of Daly City more adequately for an enemy air raid, which military and naval leaders describe as "still as probable now as they were at the start of war," Arthur J. Bodien, director of the local Civilian Defense Council, advised every family here to furnish their homes with stirrup pumps for use in fighting fire.

Recognized by the OCD as an essential implement for every home's preparedness, the stirrup pump has been proven effective in extinguishing small fires or keeping them under control until the fire department arrives. The stirrup pump is a small pump with a hose attachment. Part of the pump is inserted in a bucket of water, then is used like a hand air pump for an automobile tire.

"The stirrup pumps are not expensive at all, and since they are much more effectively used than a garden hose, I think it would be advisable for all homes in Daly City to be equipped with them," Bodien said.

Effectiveness of the stirrup pump was proven locally at a demonstration to the Civilian Defense Council following their meeting last week. The pump was tested out on a small bonfire, and it was shown how a stream of 30 feet in length can be played on a fire.

An official ceiling price o f$3 has been placed on the stirrup pump on the recommendation of the OCD, but it can be purchased locally for even less, Bodien said. Boni Hardware company in Colma has been named by the OCD as the official distributor for stirrup pumps in Daly City.

S. F. Girl of 12 Injured While Crossing Mission

Child Claims She Was Struck By Street Car

Alvera Wilmes, 12-year-old San Francisco girl, suffered severe injuries, Monday afternoon, when she was struck down presumably by a Market Street Railway car in Daly City as she was crossing Mission street near Templeton avenue. Both the motorman and conductor of the car denied knowledge that they had struck anyone.

The little girl, who lives at 21 Lessing street, just over the county line, suffered a compound fracture of the left leg and a deep cut in the forehead, and was taken to Villa hospital for treatment.

No one apparently saw the accident, but the little girl told two men standing less than a block away that she had been struck by the street car. The two men, Pete Collodi, 115 Sickles avenue, and Ken Eldridge, 525 Bellevue avenue, were standing in front of Witt's Cafe, 6053 Market street.

Police were summoned by Bob Witt, proprietor of the cafe, while Collodi and Eldridge took the injured girl to Villa hospital.

At the time she told the two men that she had been struck, there was a northbound car at the Acton street intersection, and she said it was the car in front of that one. Police Officers George Hopman and Joseph Kusber overtook the street car near the intersection of Tingley and Mission streets in San Francisco where they questioned both Motorman Tom Healy and Conductor A. W. Todhunter, who claimed they knew nothing about the car striking the little girl.

Jefferson Baseball Team Splits Series

Jefferson baseballers split a two game series with Balboa high school, Thursday and Friday, at the local diamond, winning the first game, 8 to 4, and losing the second, 7 to 1.

Trailing by a score of 1-0 until the fifth inning, Jefferson batters opened up a barrage of base hits to drive in eight runs in that frame and win the ball game, Thursday. Hurling for the Indians, Southpaws Bill Freeman and George Perada allowed Balboa batters only four hits, while Jefferson hit safely seven times. Tulio Picchi, playing left field for the Jeffs, led the batting with two hits for three times at bat.

Walt Cavagnaro turned in an outstanding performance at shortstop, and managed to pick up one for two at bat. Outfielders who robbed Balboa batters of three hits by virtue of spectacular catches were George Fair, Picchi, and Bud Fellows.

The second game remarkably was an exact reverse of the Thursday gome, this time with Balboa making six runs in a fifth inning rally to win, 7-1. Nine Balboa hits and numerous walks off Freeman spelled disaster for the Jeffs.

In another game between the two schools, Friday, the frosh-soph teams tied, 3-3 and the game was called in the sixth inning. Tom Thimis tied the count for the Jeffs by getting a base on balls and later scoring on a hit.

Conclude Bowling League Playoffs

Forging ahead to the finals in the Daly City Bowling league playoffs, the Lions "X" team of the Daly City-Colma Lions club upset the dope bucket on the Mission Street Sports center lanes, last week, to carry off first place honors in the playoffs.

The Sheriff's Office won the league play a week previous, but in last week's playoffs, the Lions "X" rose from a fourth place spot to win the playoffs in the first division by virtue of two straight series wins over Mission Auto bowlers and the Colma-Vista Grande Aerie No. 1848, Fraternal

When You Donate Tin Cans They Just Have To Be Properly Prepared To Count

Tin cans which have not been cleaned and flattened are of no value at all to national salvage efforts, and are nothing more than mere rubbish. This important point was reiterated by R. L. Crane jr., local salvage chairman, this week.

It is a point which Crane has made repeatedly to those who are donating tin cans which are not properly prepared, and he urged everyone to wash and flatten their tin cans before donating them. Reasons that they are of no use are twofold, according to Crane.

1. Unflattened tin cans take up so much unnecessary space in trucks enroute to the detinning plant that it is not practicable to even load the cans, due to restrictions on the use of gasoline and tires.

2. So much manpower is required at the detinning plant to clean the cans of dirt and particles of food, and to remove the paper labels that it is worthless to bother with them.

Numerous complaints have come from Daly City tin contributors that the cans are not being picked up at their doors as was ordered. In this case, Crane said, they may report it to the grammar school nearest their home and the school will see that they are picked up, by the proper block workers. However, Crane added, they will be collected ONLY if they have been processed as follows:

1. Each can must be washed thoroughly with running water.

2. The top and bottom of each can must be cut so that the flaps can be bent into the can.

3. Each can must be flattened by the donor.

Men In Service

EVAN GILLESPIE

Evan Gillespie, a June '40 graduate of Jefferson Union high school, has won first place in the Victory Poster contest for service men, sponsored nationally by the Americanism committee of the American Legion auxiliary. The prize, a $50 war bond, has been sent to Gillespie, a private stationed at the army air base at LaJunta, Colorado.

Private Gillespie's design won over the entries of several hundred talented young artists in training camps throughout the nation, according to the March, 1943, "National News," official publication of the American Legion auxiliary.

Gillespie was prominent in Boy Scout activity in Daly City, where he lived until a few years ago. Following his graduation from Jefferson, he attended San Mateo junior college.

PRECIADO AND SOLA

Among Bay area men who reported for Navy training at Farragut, Idaho, recently, were **Willie Preciado,** 47 Willits street, and **Gus G. Sola,** 147 Knowles avenue.

CHARLES RAZZARI

Training as a U. S. Army airplane mechanic at St. Petersburg, Florida, is Private **Charles J. Razzari,** popular graduate of Jefferson Union high school. He is the foster son of Mrs. Carrie Norry, 159 Oliver street.

"NO MAGNOLIAS"

"We are still looking for the magnolias and the wonderful mint juleps, but haven't found either yet," wrote **Al Winter,** son of Captain and Mrs. F. W. Winter, 619 San Diego avenue, in describing life (army version) down in Louisianna to the publisher, last week.

Winter, who has been stationed at Camp Claiborne in the deep south, recently received his sergeant's rating, only to relinquish it as he has been chosen to attend Texas A. and M. college for a course in specialized engineering work. He will study electrical engineering for 3 to 6 months and afterward attend officers candidate school.

Winter hit the nail on the head when he commented, "I guess most of the fellows we went to Jeff with are scattered all over the world right now."

Corporal in the medical corps is the title recently acquired by **Wallace Stratford,** 1075 Hanover street. He received the promotion at Camp Barkeley, Texas.

ELDON PRZIBOROWSKI

Camp Wolters, Texas, reports that **Eldon Roy Przborowski,** 18 son of Mr. and Mrs. H. W. Przborowski, 298 Vista Grande avenue has arrived at their infantry replacement training center to begin his basic training as an infantryman. He has been assigned to a battalion stressing rifle training.

GEORGE ADAMS

Joining the ever-expanding forces of the U. S. Navy, **George William Adams,** son of Mr. and Mrs. Clyde L. Adams, 172 Templeton avenue, Daly City, this week donned the smart, historic uniform of a bluejacket and began his training at the U. S. Naval Training station on the shores of Lake Pend Oreille at Farragut, Idaho.

The next few weeks will be important ones in his life as he learns the fundamentals of seamanship and undergoes the rigors of the Navy physical hardening program.

"Life After Death" To Be Sermon Subject

Reverend J. C. Baldwin, pastor of the First Baptist church of San Bruno, located at Crystal Springs road at Acacia avenue, will speak on the subject, "Life After Death," Sunday evening, March 21, at 7:45 p. m.

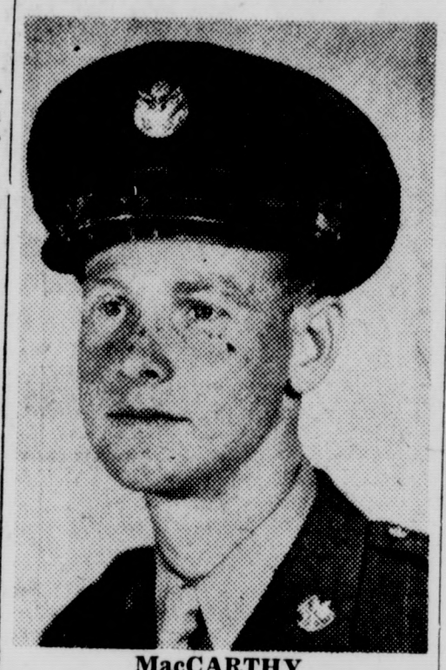
An enthusiastic "Singspiration" will be led by "Tom" Marcus, and Mr. and Mrs. A. D. Moore of South San Francisco will bring the special music of the evening.

At the morning worship, 11 a. m., the subject will be entitled "Spend and be Spent!"

All are cordially invited to attend services at the San Bruno church, according to Reverend Baldwin. A number of Daly City people belong to the congregation.

Albert MacCarthy Wins Promotion In Texas

Albert James MacCarthy, formerly of Daly City, has recently been promoted to the grade of Technician Fifth Grade at Stinson field, air depot training station, San Antonio, Texas, where



MacCARTHY

he has been stationed since November, 1942.

Technical Corporal MacCarthy is the son of Mr. and Mrs. J. L. MacCarthy, 365 Bellevue avenue, Daly City. He attended Jefferson Union high school in that city, and prior to his induction, was employed as a telephone instrument repairman.

Before coming to Stinson field, he had been stationed at Fort Knox, Kentucky, and Fort Monmouth, New Jersey.

Station Reopens At 6200 Mission St.

Reopened, last week, the service station business located at 6200 Mission street, formerly operated as Jeff's Service station, is known as the Automotive Technicians. Motor work will be a specialty, according to Frank Rehe, proprietor.

Carrying a complete line of Union products, and including official OPA tire inspection. other services are washing, lubrication, motor tuneups and renewals. All are pointed towards keeping rolling the present auto transportation, and in line is the suggestion that here tuneup or lubrication jobs may be done while owners attend the theatre, with no loss of time.

Rehe is a post warden at his home address, 149 Wilson street, under the San Francisco defense organization, and set up the first complete first aid station in the district. His son, Frank jr., is serving "somewhere in the Pacif-if" with the United States Navy.

Daly City Presents Drama Of Tropics

"White Cargo" Acquires Vivid New Life on Screen

Hedy Lamarr brings to the screen the sultry Tondelayo in a gripping screen version of the famous stage play, "White Cargo," now playing at the Daly City theatre. Teamed with Walter Pidgeon in this dynamic drama, she proves an alluring tropics heroine, wears a lurong for the first time, and the play, in its modern screen technique, takes on vivid new life.

It is a story dealing with the moist, steaming tropics, where a group of white men oversee a rubber plantation. Pidgeon is Witzel, sullen and hard-bitten overseer. Bramwell Fletcher plays his assistant who deteriorates in the heat and brutality of the jungles. Richard Carlson plays a young executive sent to replace Fletcher, and Tondelayo's charms captivate him, in spite of Pidgeon's warnings. Finally the young assistant overseer marries Tondelayo, precipitating a dramatic, primitive situation. Frank Morgan plays the bibulous but kindly old doctor in the jungle station, and Henry O'Neill a clergyman in the settlement.

Miss Lamarr was never more exotic than as the dark-skinned Tondelayo, and Pidgeon handles his role with rugged strength. Carlson as the romantic young assistant is appealing, and wins great sympathy when his "bride" attempts to poison him.

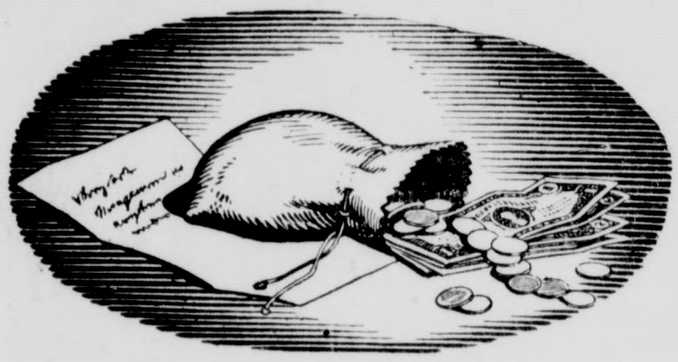
Richard Thorpe directed the picture with subtlety and skill. The jungle scenes, including those in which actual rubber plants were transplanted and kept alive by chemical means, are convincingly real. An artificial river, built for the picture, is also the last word in reality. The river boat, commanded by Reginald Owen, was another skillful piece of motion picture engineering.

Hedy Lamarr Makes Exciting "Tondelayo"

Hedy Lamarr tries her wiles on Walter Pidgeon in this scene from M-G-M's "White Cargo," but they just don't work. He can resist her, but Richard Carlson can't, in the screen drama now at the Daly City theatre.

Mr. and Mrs. Raymond S. Bjorge, Daly City, are the proud parents of a baby girl born, February 26, in San Francisco.

A son was born to the wife of **Bruno J. Matteucci,** Colma, March 4, in San Francisco.



Seed Money

There's only one thing more foolish than killing the goose that lays the golden eggs. That's living up the money that has been put away to buy the seed for next year's crops.

Although G-E turbines and lamps and refrigerators don't grow from any seed you can buy at a seed store, yet any manufacturer—no matter what he makes—has a seed problem just the same. For next year's models, and improved designs, and new products—all these cost money. Money for research, and engineering, and new tools, and advertising to tell the public where a product can be obtained, and how much it will cost.

And the only place this money can come from is out of past earnings, or borrowing on the promise of earnings in the future. In other words—from *seed money.*

From the seed of research and engineering, planted in years past by General Electric, have come some pretty amazing crops. Incandescent lamps five times as efficient as Edison's, vacuum tubes that made radiobroadcasting possible, refrigerators for the home and electric machines for industry to make important jobs easier.

Right now the crops we're growing are all of the "Victory Garden" kind—weapons that are serving with our armed forces on land and sea and in the air.

But we mustn't neglect the seed money for the future. We're looking forward to the continuance of the industrial system that will allow us to open up and cultivate other new and promising fields. So, tomorrow, look for important developments in television, fluorescent lighting, plastics, electronics. These will be familiar words in the post-war world. GENERAL ELECTRIC COMPANY, SCHENECTADY, N. Miss Wheat Bride Of Lieutenant Kerekes

Popular Miss Alice Wheat became the bride of Lieutenant Michael P. Kerekes, Thursday morning. Services took place at the city hall, San Francisco. Judge Herbert Kaufman conducted the ceremony.

Miss Wheat was attractively dressed in a light beige street suit trimmed with brown accessories. Her flowers were brown orchids.

At the close of the ceremony the young couple went to Monterey for a brief honeymoon. Lieutenant Kerekes left for Camp Blanding, Florida, Sunday.

Mrs. Kerekes and her husband were graduated from Jefferson Union high school and San Mateo junior college. They are well known to the younger set of Daly City, where they have spent the major portion of their lives.

Parents of the bride reside at 916 Brunswick street, while the groom's parents live at 775 Niantic avenue.

AT PERSHING

Members of the Pershing P. T. A. were entertained by pupils of the fourth grade, recently. As master of ceremonies, Billie Evans greeted the ladies and announced the program.

Girls in the high fourth grade sang a number entitled, "It's the Little Things That Count." A program of piano solos featured the following: Beverly Bruch, "The Little Spinning Song;" Nancy Chronister, "The Streamliner;" Lonnette Winney, "Drifting;" Barbara Dale, "Volga Boatmen;" Norieen Lack, "The First Waltz."

Lantern slides, drawn by each member of the class, were shown, and, as the pictures appeared on the screen, each child told what his picture represented. Slides included: "Admiral Byrd's Trip to the Antarctic," "The Dengates Travel to America;" "Life Along the Amazon;" and "Two Enemies in a Feather Bed."

Coffee and cake were served at the close of the program. Mothers of the class donated the cakes.

AT JEFFERSON

In the first of a series of volleyball games, Jefferson boys defeated Woodrow Wilson, 49-40. Team captains were Don Rutherford, Woodrow, and Robert Lazzerini, Jefferson.

Seventh graders have been studying National parks and monuments in their social studies period. Reports were given by Stella Maffei, Oscar Giusti, and Leontine Oberg, and were accompanied by a choice selection of colored pictures.

Alfred Owen, former sixth grade pupil at Jefferson, is now enrolled in the Ramsey Military academy in Santa Monica. He has been honored by an appointment as chief cadet of his group.

New pupils at Jefferson include: Dorothy Brown, seventh grade; Yuda Hesson, sixth grade; Mary Norwood, sixth grade; Harold Brown, fifth grade; Betty Norwood, third grade; and Celia Nelf, sixth grade.

AT WOODROW

Wanda Baxter has returned to her class in Room 8 after having her tonsils removed.

Marilyn Bowers has transferred to a school in Texas.

MarJean and Norman Rosenbaum have transferred to San Bruno.

Two new pupils at Woodrow school are Richard Hart in Room 15 and Joseph Silicani in Room 12.

"Woolen Yarn" was an interesting film shown recently in Room 12.

Legionnaires Enjoy Saturday Night Dinner

"Everyone had a good time," was the way the annual joint banquet for members of Daly City Post and Auxiliary No. 410, American Legion, was summed up. All members of the post and unit were present for the gala affair.

Dinner was served at 7 p. m., Saturday evening, in the banquet room of Legion hall. Following dinner the guests enjoyed a social and music.

Members of the unit met for an executive board meeting, last night, March 17. The group was called to order at 7:30 p. m. at the hall. General business was taken care of.

MARCH FOR RED CROSS

Wherever an encampment of Allied forces, or a prison camp, casts its dark shadows across the blackness of war's night, there the American Red Cross lifts up its lantern of mercy. Is there a holocaust, a flood? Within an hour, and without special preparation, the Red Cross has appeared in the midst, ready to meet the most devastating emergency.

The national Red Cross transports food and money, letters and packages to prisoners of war—its very symbol means compassion. President Roosevelt has asked the nation to contribute at least $125 million for its relief work this year as against last year's $50 million. The money will be needed, and in the hands of this organization, will be well spent.

From North Africa, General Eisenhower spoke appealingly: "The American Red Cross is the single organized agency that brings to your son or husband in the armed forces those things that have no place in official equipment—but do so much for his well-being." We cannot afford not to contribute to the utmost, for whether we are closely associated with the men of the armed forces or not—what do we not owe them?

36 HOURS FROM HELL

Today every great city of the earth can be reached by air within 36 hours.

Today the centers of all civilization are massed a short 36 hours from enemy planes, from the shrill scream of dive bombers, from the moaning roar of block busters, from the thud of machine-gun lead, from clouds of gas and fire from the sky.

Last night, people went about the business of living as usual. Then came a raid. Tomorrow morning—broken wreckage where the civic center stood; a heap of rubble that was your church. Blister gas—injured children, orphaned. The old folks tottering homeless and bewildered amongst awful ruins.

And yet there are those who still speak of isolation for America. There are those who think only of winning a war—and nothing—nothing at all of the Peace to come.

Thirty-six hours now. But tomorrow—how many minutes?

The time is long past when we can thing only of victory—a victory that must be ours. But it will be weak and shallow and stupid unless our minds are ready for the Peace.

Think, Americans! Think, study, read, and talk of the Peace to come. Be prepared to judge and decide intelligently that that Peace may be rooted deep in wisdom from the lessons of the past, that it may stand as a bulwark for all time against a horror and agony and Hell that will be minutes—not hours—from the children of tomorrow.

Remember this—our soldiers die in vain unless the Peace, for which they die, endures.

It's Sliced Again!

A week or ten days ago, it was a high misdemeanor if not a felony to be caught going home with a loaf of sliced bread, but now, as the ads all proclaim, "It's sliced again!" The idea that we were all going to slice our way to victory with the old bread knife turned out to be half-baked—and now Washington has decided to sweep up the crumbs and be done with it.

The bread-slicing fiasco, in itself, was of little importance. American housewives would have gladly sliced their bread for the duration, if any saving of time or materials had been accamplished by it. But this minor comedy of errors is illustrative of an off-again, on-again trend in government directives which unfortunately applies to many more serious matters as well, and which badly needs correcting.

Let's cut it straight, gentlemen, regardless of the cost. We may not know which side our bread is buttered on—in fact, it may not be buttered at all—but let's lay it on the board. It's better that way!

RICKENBACKER NEEDS NO DEFENSE

Public indignation has boiled over throughout the United States against the slanderous statement of one David G. Levitt, a union organizer, who declared before a meeting of aircraft workers in Los Angeles that "Captain Rickenbacker was the No. 1 hero of World War 1 and is the No. 2 rat of the present war," adding: "It is too bad they saved him."

Eddie Rickenbacker, who has risked his life repeatedly and gallantly for this country in two wars, and who has only recently endured the ordeal of being adrift at sea for 21 days while on a war mission in the Pacific, needs no defense against the hot-tempered slander of an unknown labor firebrand. Rickenbacker's life and deeds are all the answer required, but it is to be hoped that intelligent labor leaders— after noting the storm of public indignation which this remark occasioned—will call a halt to the campaign to smear Rickenbacker which has recently been current in labor circles.

It isn't Eddie Rickenbacker who is giving labor a bad name. It is men like Levitt in labor's own ranks who have made it necessary for Rickenbacker and scores of others to remind them that they owe an obligation to American boys on far battlefields who are damaging labor's cause.

As far as Levitt is concerned, Rickenbacker took care of him with the apt rejoinder: "It has been my experience that a pig never squeals unless you stick him."

When Auxiliary Firemen Get Together - - -

—Photo by John Craig

Unit 8, Daly City Auxiliary firemen recently enjoyed an Italian dinner at the Vista Grande and San Diego avenues firehouse. They are the auxiliary of Company No. 2, D. C. F. D., and there is need for more volunteers right now. Any one in the neighborhood who would like to participate in this important Civilian Defense group is invited to attend one of their regular meetings and join up. They get together every Wednesday evening at 8 p. m.

Shown above, around the table, felt to right, are Julius Nelson, Bill Matthew, Fred Michelson, Earl Crumb, John Rasmussen, Remi Sanders (regular fireman), Chef Louis Gamba, Gus Ford (Captain of No. 2), Bert Leahy (regular fireman), Fritz Hanson (regular fireman), W. J. C. Goldkuhl, William Webb (auxiliary captain), Ernest Pezzola (auxiliary lieutenant). Another auxiliary fireman, Joe Boicicio was not present when the photo was taken.

Company No. 2 firemen were in charge of training the auxiliary members.

"proceeding very well" in the south end, where fifteen volunteer workers are visiting Colma homes.

"The campaigners are finding excellent results in the residential district," Mrs. Brown said. "The Colma people are giving the campaign all the support they can, and it has been very successful to date."

Canvass of the business district in Colma will start later, it was learned. This will be jointly supervised by Mrs. Brown and Mayor A. J. Gaggero.

In Daly City's residential district the drive is on in full force under the supervision of Mrs. Marcie Trier, 158 Woodrow street, who is chairman of the women's division in Daly City. Canvass of homes in the Vista Grande tract began, Monday morning, with Red Cross workers visiting the different homes, while the campaign in the Crocker tract entered its second week. Workers there are headed by Mrs. Martha Wegner, 399 Crocker avenue.

In addition to residential campaigning, Mrs. Trier is also handling contributions from service organizations of the community, and many already have responded to the call from the Red Cross. More contributions are expected this week from organizations, since many of them are holding their regular meetings during this week. Organizations or lodges that wish to do so may mail checks payable to the American Red Cross to John Degliantoni, general chairman, at his business address, 6347 Mission street.

Canvass of the business district in Daly City will also be continued later. Although a greater part of the merchants here have already been contacted, those who haven't will be reached later. A recent illness of Degliantoni's caused the postponment of the merchants' drive one week.

out proclamation. Motorists travelling south and entering Daly City from the San Francisco side are advised by the blue lights on the San Francisco side. In addition, four white crosses and the word "Dim" have been painted on the pavement of the right half of the roadway entering the dimout area on both sides of Daly City. Signs reading "Dim Out Headlights" have also been installed. At a point where the motorist leaves the dimout area he is warned by a sign which reads, "Turn on Headlights."

Chief Reardon reiterated a previous warning that all motorists should drive slowly and with caution through the dimout area especially.

"Since the motorist is required to drive with parking lights," he said, "it increases the traffic hazard greatly. Therefore, motorists should be careful to turn full headlights on immediately after leaving the dimout area."

partment who were informed of his capture by the International Red Cross in Tokyo, Japan. Cavallero, who is classed as electrician's mate, first class in the United States Navy, was a survivor from the sinking of the American vessel in Phillipine waters. He was later captured with other survivors when Corregidor island fell into Japanese hands, early last year. Cavallero was formerly stationed at Cavite in the Phillipines, and he is now being held in a Jap prisoner camp there.

The Daly City youth is 23 years old and attended Jefferson Union high school before joining the Navy. He enlisted, September 6, 1940, and saw action in Honolulu as an electrician's mate, second class. He was later transferred to the Cavite base, and shortly before hostilities with Japan, was promoted to electrician's mate, first class.

Cavallero has made his home in Daly City with his family for the past seven years.

GREYHOUND

Waterman, Allen At California Poly

Among the new students who registered for the spring quarter which began at California Polytechnic college, San Luis Obispo, last week, were **Fred Waterman,** son of Mrs. Lucy Waterman, 182 Acton street, and **Edward Joseph Allen,** son of Mr. and Mrs. Edward J. Allen, 6754 Mission street, both of Daly City. They are graduates of Jefferson Union high school.

Fred is in the industrial division of the state industrial-agricultural college and is enrolled in aeronautics. Edward who was quite active in athletics at Jefferson high, is enrolled in the Meat Animal Husbandry department.

Both boys are under draft age and expect to continue their training at Cal Poly until called into the armed service.

Although California Polytechnic college is now conducting a Navy Flight Preparatory school for the Navy with 600 aviation cadets taking ground school training, all major courses in the agricultural and industrial divisions are being continued for the benefit of those students who are under draft age or who are waiting call into the armed services.

Conclude Bowling League Playoffs

(Continued from Page 1)

Order of Eagles. Henry Neubecker was high man for the Lions "X" keglers. The Sheriff's Office dropped to fourth place in the playoffs, losing a series to Mission Auto, then dropping the consolation series to the Eagles.

League play in the Daly City circuit completed six months of a series per week, with teams finishing as follows: Sheriff's Office, first place; Mission Auto, second place; Eagles, third place; Lions "X," fourth place; Conci's Shell Service, fifth place; Curry's Barbers, sixth place; Lions "Z," seventh place; and Milo's Market, eighth place.

Jack Hall, bowling for the second place Mission Auto outfit, carried off honors for both high individual score and high individual average. Hall bowled a 244 game for the high score, and his average was 175.

High game among teams was won by Milo's Market with a score of 951, while Conci's Shell Service had the high team series with 2645.

Bowling under Eagles colors, Baylor was high for the high individual series with a score of 621.

WINTERLAND

With their ambitions fired by the winning of the senior dance title by two fellow-members, Marcella May and James Lochead jr., at the National Figure Skating competition in New York, recently, seventeen Winterland skaters passed their Bronze Dance test at the big rink, last week.

The official tests, as prescribed by the United States Figure Skating association, were held under the sponsorship of the Skate and Ski Intermediates, at their regular Thursday night meeting.

Ladies Home Club Whist Set For Tuesday

Three members of the Ladies Home club have been put in charge of the monthly whist scheduled for Tuesday, at 2 p. m., at the club house, Werner avenue. Acting as co-chairmen of the affair are Mrs. Atkinson, Mrs. Christine Clay and Mrs. Mae Conserva.

The ladies announce a cash first prize will be given, along with many other attractive awards.

At the close of the card playing, refreshments will be served.

CYPRESS CIRCLE

Mrs. Helen Holcomb, arch druidess of Cypress Circle No. 14, U. A. O. D., will be in charge of the circle's monthly whist, Wednesday evening, March 24. Playing will start at 8:30 p. m. at Colombo hall.

Other ladies of the circle will assist the chairman with the party arrangements. They announce many lovely prizes have been procured and will be given along with a cash first award.

All proceeds from the affair will be used for the benefit of the circle. The public has been cordially invited to attend.

Four New Volunteers Join Block Mothers

Mrs. Adele Hanelt, director of the Daly City Block Mothers organization, reports four new recruits, this week. New names added to the group of women who will serve this community as block mothers in the event of air raids or other disasters include: Mrs. Edna M. Eichinger, 106 Peoria street; Mrs. Catherine Ricci, 160 Peoria street; Mrs. Plendora Benassini, 99 Cavour street; Mrs. Dorothy Kramer, 231 Acton street.

Approximately one hundred more volunteers are needed to supply Daly City adequately with block mothers. Any women willing to open her home to children during air raids is asked to contact Mrs. Hanelt, 328 Winchester street, DElaware 7984, or Mrs. S. G. Bryant, 559 San Diego avenue, and either leader will supply her with a circular which describes in detail the duties of the volunteer.

Esther Fernandez To Give Concert

Lulu J. Blumberg will present Miss Esther Fernandez in a piano recital at the Century Club building, Sutter and Franklin streets, 8:20 p. m., Thursday, March 25. Tickets are now on sale at Sherman, Clay and company.

Miss Fernandez, a local resident, is the young artist-pupil of Lev Shorr, concert pianist and teacher. She made her debut in May, 1939, and later was one of the successful contestants in the "Young Artists Contest" held at the Golden Gate International exposition. In 1940 the 18-year-old pianist appeared as soloist in the Schumann concerto with the Northern California symphony in Oakland, Nathan Abas conducting.

Miss Fernandez will play selections from Mozart, Bach, Beethoven, Chopin, Shostakovitch, and Debussy at next Thursday's program.

Daly City Rebels Win Championship

With an impressive 30-22 triumph over the Papooses, Thursday night at Jefferson gymnasium, the Daly City Rebels won the basketball championship and a gold trophy in the final game of the Jefferson Night School league.

The victory capped a league of independent basketball teams from Daly City, South San Francisco and, Visitacion Valley, and was sponsored by the athletic department of Jefferson Union high school. A second round will get under way, this week, but the champion Rebels have dropped out of the league, since most of their players are entering the armed forces.

Following are the final league standings: Rebels, first place; Papooses (Jefferson high lightweights), second place; Eimac 1, third place; Visitacion Valley Cardinals, fourth place; Eimac 2, Vultures, and Bethlehem Steel, tied for fifth place.

They're Old Hands At Raising Vegetables

Victory Gardens are nothing new to Boy Scout Troop No. 141, even if they have a new name this season. For several years past the boys of 141 have grown bumper crops of vegetables in Daly City. (The editor well remembers receiving a handsome collection of at least a week's supply of vegetables, last season. No hints intended!)

Scoutmaster Joseph Straughan explained today that the boys go in for gardening in a big way and have more than an acre under cultivation now, with the expectation of two acres under way before planting season is past.

The scouts have borrowed a small tractor and will raise such vegetables as carrots, beets, lettuce, radishes, chard, onions cabbage, dry beans, sorghum cane, tomatoes and cucumbers.

Victory gardening on a major scale by no means covers the list of activities for Troop 141. They are improving the church yard at Grace Nazarene church and have finished the retaining wall.

The boys are planning to attend the April camporee at McLaren park. Considerable progress has been made on the Indian and Pioneer movie which the troop is producing. Properties and costumes are nearing completion according to Straughan, and "shooting" will soon begin on the thriller.

The troop has been saving its choice books and newer magazines for the service men ever since Pearl Harbor. A recent letter from Chaplain A. C. Summers of the U. S. Army Transport expressed appreciation for the several hundred desirable books received.

WHIST PARTY

The public is cordially invited to attend the regular monthly whist of the Mothers' Club of Our Lady of Perpetual Help school, according to an announcement by the members. The party is scheduled for Friday afternoon, March 26, 2 p. m. at Masonic hall.

Mrs. Mary Musante and Mrs. Nonie Morris have been put in charge of the affair. They announce that many lovely prizes will be procured for the event. A cash first award will also be given.

Eagles To Observe St. Patrick's Night

Annual St. Patrick's Night celebration of Colma Vista Grande Aerie No. 1848, F. O. E., is slated, this year, for tonight, March 18, 8:15 p. m. at Eagles hall. The entertainment committee is headed by Allen Brush, while the social committee, which reportedly has assembled a magnificent "feed" of corned beef and cabbage, boiled potatoes, beer, French bread and butter, is headed by Glenn Wilkes and John Leepin.

Five new candidates will be initiated tonight. This will bring the aerie's membership past the five hundred mark for the first time in its history.

On Past Presidents' Night, the aerie dedicated its service board, which lists the names of members who have gone into the armed forces. There are already fifty names on the scroll. Clarence Fahy prepared and donated the board to the aerie.

Speaker at the group's March 11 meeting was D. D. Heagerty, state organizer and state past president.

ROBERT BYRNE FAMILY HAS FIVE SONS IN UNCLE SAM'S ARMY

A mother who really knows what it means to fight for victory is Mrs. Eleanor Byrne, 39 San Pedro avenue. Mrs. Byrne now has five sons in service with the United States Army.

Another son, Jack, will be leaving to do his part a little later on in the year.

Private Thomas and Private George are now home on two weeks' furloughs. They both enlisted, last year. The other three sons serving are Privates Robert, James and William.

As though giving five sons to Uncle Sam were not enough, Robert Byrne, their father, is actively engaged in Civilian Defense duties for the city.

The rationing of non-highway gasoline in San Mateo county will be handled by the San Mateo County Farm Transportation committee, which has offices in Half Moon Bay, from now on, M. R. Mattei, chairman of this committee, announces.

Practical Wartime Party Ideas

There's no need to forego parties during these trying times. They are good for the morale, and they can be designed so that they are easy on the hostess. Keep everything simple from decorations through dessert. They may even be one of those share-the-food-and-fun parties where everyone contributes a part of the food. Of course, at any party these days, the perfect guest brings his or her own coffee, sugar, and butter.

ST. PATRICK'S PARTY

Make it a buffet affair. For an effective table decoration, color the water for ice cubes green with vegetable color. Freeze, and just before serving, heap the cubes in a glass or crystal bowl and stick flowers between the cubes. Only a few flowers are needed, because the little blocks of emerald catch the eye.

ST. PATRICK'S DAY MENU

**Potato Surprise*
Cabbage-Apple Salad with Salad Dressing
Corn Meal Muffins
Butter or Substitute
Lemon Meringue Tarts
Coffee or Tea
(Ask your friends to bring their share)

*For Potato Surprise, scrub well, cut a lengthwise hole through each of them with apple corer, fill with nippy cheese or seasoned ground meat, plug up holes and bake. Serve piping hot.

DRAFTEE PARTY

Send invitation out in form of induction notices. When guests arrive, let each one draw the job he is to do out of a goldfish bowl or hat. When mess call comes, each one does the job assigned to him, such as serving the main course, carrying out the dishes and so on through K. P. duty. This is the kind of party where everyone can sit around on the floor and eat, picnic fashion.

Revive all those old party games and give them a wartime slant such as pinning the tail on Hitler instead of the donkey. You can have a metal or rubber scavenger hunt. For prizes—Victory Stamps.

DRAFTEES' MESS

LIVER AND BACON ROLLS

Simmer 1 pound sliced liver for about 5-8 minutes. Grind liver and combine with ½ cup bread crumbs, 2 tablespoons chopped onion, 1 teaspoon salt, ¼ teaspoon pepper, ½ teaspoon sage, ¼ cup liquid (milk or water) and 1 egg. Mix thoroughly.

Making the Rolls

Arrange one-half pound bacon on a piece of waxed paper, slightly overlapping the slices. Spread the liver mixture evenly over the bacon. Roll like a jelly roll so the ends of the slices of bacon are rolled in with the liver.

Slicing the Roll

Place wooden picks along the edge of the roll at 1-inch intervals to hold the bacon in place. Slice 1-inch thick. Broil or panbroil slowly until brown on both sides (12-15 minutes).

The Finished Rolls

Serve hot with lima beans. Fresh vegetable salad is a good accompaniment.

President Hostess To Jefferson Board

Members of the executive board of Jefferson Union High School P. T A., met at the home of the president, Mrs. Catherine Foreman, 35 Woodrow street, at 11:30 a. m., Thursday, March 11, at which time the yearly reports were completed. After an enjoyable luncheon served by the president, the executive board attended the regular meeting of the unit at 1:30 p. m. in the Little Theatre of the high school.

Clive Saiz gave a very interesting talk regarding the effect of the proposed legislation on schools.

Mrs. Marie Gehrig was appointed to represent the high school P. T. A. at the Seventeenth district meeting which is to be held at the high school, Thursday, March 18, at 11 a. m.

Mrs. Lehigh, parliamentarian, was asked to call a meeting of the newly appointed nominating committee in the near future. The ladies appointed to serve on this nominating committee were Mrs. Martha Linden, Mrs. Lillian Thomey, Mrs. Hilda Heagney, Mrs. Lillie Cavagnaro, and Mrs. Gehrig.

The unit sent the following letter to The Daly City Record:
Daly City Record,
Daly City, California.
Editor and Staff:

The officers and members of the Jefferson Union High School P. T. A. wish to thank the Daly City Record for the many courtesies extended them during the past year and for the wholehearted cooperation received regarding publicity.

Sincerely,
Allene Lehigh,
Publicity Chairman

Don't Postpone Your Contribution

Have you been postponing your contribution of a pint of blood to the American Red Cross? Unfortunately, war waits for no one and the vital blood plasma is needed NOW for American service men the world around.

The San Mateo County chapter, American Red Cross, blood donor service reports that they are having difficulty in reaching their quota, now that the demands of the armed forces have increased so much. At least a hundred donors are needed each time the mobile unit comes to this county.

Next dates on which donors are urged to report are Thursday, March 25, 9 a. m. to 1:20 p. m. and Saturday, April 3, 1 p. m. to 4:40 p. m. The Red Cross motor corps will provide transportation to San Mateo if a group of 6 to 8 Daly City people will make their appointments for the same time; phone Burlingame 3-4561.

Navy Regulations No Match For Romance

Navy regulations bowed to romance with the announcement, last week, that WAVES, who have completed their indoctrination and training courses, may now marry Navy men.

Heretofore it has been a rigid rule that members of the Women's Reserve could not marry Navy men, although they were permitted to marry into other branches of the armed forces. Formerly WAVES who married Navy men were obliged to resign from the service.

Lieutenant Tova L. Petersen, women's naval reserve procurement officer for the Twelfth Naval district, announces that as yet there has been no change in the rule which closes new enlistments to wives of Navy men. However, she points out, Navy wives may enlist in the women's reserve of the Coast Guard, the SPARS.

Indicating the important part that the WAVES are already taking in naval activities, Lieutenant Petersen states that by June of this year the Navy expects that 3,000 officers and 14,000 enlisted men will have been released for sea duty by members of the women's reserve. To speed up an enlistment quota of 30,000 women for 1943, applications for service in the WAVES can now be made at any Navy recruiting station.

ELECTED

Annual reports and election of officers was the main order of business at the regular meeting of Temple Shrine No. 34, of the White Shrine of Jerusalem, at Millbrae school, Thursday evening, March 11. In line for election as Worthy High Priestess and Watchman of Shepherds, respectively, were **Mrs. Stella Delatour** and **Louis Delatour,** of Daly City.

Jefferson Union High School Scene Of Seventeenth District Meet Today

Seventeenth district, Parents and Teachers, Inc. will meet at Jefferson Union high school, Daly City, today, March 18, under the direction of Mrs. C. P. Benz, of the Department of Home Service. Assisting her to present the program of the day will be Mrs. Ira W. Barnett, character education; Miss Clara Dills, home reading; Mrs. C. J. Ledwith, homemaking and human relations; Mrs. E. D. Dezell, property; Mrs. Walter Gull and Mrs. Jack A. Lynch, registrars.

An interesting program will be presented by the high school chorus under the direction of Oscar Busch and a panel dramatization of a portion of "Who Walks Alone" by Perry Burgess. These students will be coached by R. J. Gale.

Presidents of the northern units will act as co-hostesses headed by Mrs. Catherine Foreman, president of Jefferson Union high school.

Stella L. Jensen, president, will call the members of the executive board together at 10 a. m. in the Little Theatre of the school for a brief meeting. The regular meeting will be in the main auditorium commencing at 11 a. m. at which time Mrs. Jensen will give the report of the State board meeting.

Luncheon will be served in the school cafeteria at noon by pupils of the home economics class under the leadership of their instructress, Miss Elizabeth Jones.

Hillcrest Druids Invite Public To Mar. 22 Whist

Mrs. Audrey Code and Miss Sally Watson have been appointed co-chairmen for the regular monthly whist of Hillcrest Circle No. 143, U. A. O. D., for March. The party will be held Monday evening, March 22, 8:30 p. m. at Masonic hall, Hillcrest drive.

The committee cordially invites the public to attend and announces lovely prizes. A short business meeting for members will precede the public whist, starting at 7 p. m.

Hillcrest circle will initiate a class of candidates at the April 12 meeting. Grand Arch Druidess Mrs. Josephine Ghilarducci is expected to attend.

The circle recently made a substantial contribution to the American Red Cross War Fund drive. In addition, a number of its members are actively participating in the Red Cross sewing program, and in the current campaign to raise money for war-time Red Cross work.

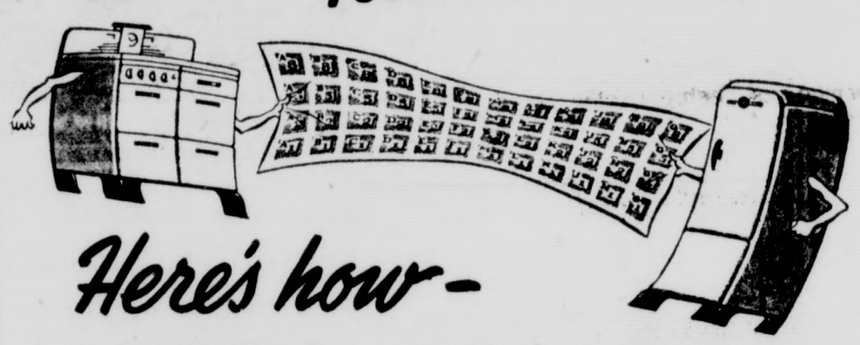
S-T-R-E-T-C-H YOUR FOOD COUPONS



Here's how—

NUTRITIVE COOKING and PROTECTIVE REFRIGERATION can help conserve Rationed Foods

Be on guard against the invisible food losses in your kitchen. These food losses are the destruction of vitamins and minerals that are present in all foods. Improper preparation and cooking, storage and preservation of foods can cause the loss of two-thirds of the strength and energy value naturally present.

NUTRITIVE COOKING IS EASY TO DO
Follow these three simple rules...

1. Use little or no water. Use just enough water to prevent sticking and avoid letting foods soak too long in water before cooking—are two important points to remember.

2. Start Fast and Cook Quickly. Bring foods to cooking temperature quickly. This means you cook by the steam which is generated in your pots and pans.

3. Avoid Violent Boiling. When foods come to a steam, reduce the heat to lowest temperature to maintain steaming. Long time boiling dissolves minerals.

PROTECTIVE REFRIGERATION
... means storing food safely

1. 40 degrees is the Safety Line. For safety most foods should be stored in your refrigerator as soon as they arrive from the market. The main food compartment in your refrigerator should be kept at about 40 degrees.

2. Control Bacteria in Milk. Do not let milk stand on a sunny doorstep. Pop it into your refrigerator as soon as it arrives. Bacteria in milk increases 25 times faster at 55 degrees than milk at refrigerator temperature of 40 degrees. Bacteria means sour milk.

3. Meat Needs Your Special Care. Meat must be kept colder than milk. Meat bacteria develops 12,000 times faster at 55 degrees than at the safe line of 40 degrees in your refrigerator. Meat is scarce. Keep it safely refrigerated.

Come into any P. G. and E. office for your free copy of the 32 page booklet, "The Lady Of the House and Her Mechanical Servants." See page 15 about—"How to store food in your refrigerator."

AT JEFFERSON UNION HIGH SCHOOL

CODE

Martin Van Waynen, popular faculty member, has started a course in radio code for students interested. Ten pupils have signed up for the class and the first lesson started, last week.

Van Waynen announced he has secured records and all necessary equipment and information concerning radio code.

Bonds and Stamps

Jerry Martin, chairman of the bond and stamp drive, showed the students what working for Victory means. During the past two weeks, he has collected enough pennies from the students to present the student body with a $100 war bond. This is the second of such drives. Previously he collected enough for a $25 bond.

An army jeep will be at the school this week. It was secured by Martin and his committee to help further the selling of stamps at school. For a small purchase of stamps the students will be allowed to ride in the jeep.

Next week, an inter-class competition will be held. Winner of the contest will receive an award.

Monthly total on stamp receipts was $312.45. This brings the total to date up to $6,510.

SENIORS

Getting ready for graduation already are the seniors at Jeff. They have already filled out their record cards and pictures will be taken, this week.

SWIMMING

A free swim period is being held after school on Tuesdays and Thursdays for girls who would like to improve their swimming and diving. This announcement was made by the two gym instructors, Miss Ella Redkey and Miss Claire Nace.

The following girls have passed their beginners' test in swimming: Theresa DeLeon; Lorraine Sanders, 351 San Diego avenue; Corrine Watts, 250 Hillside boulevard; Lois Jean Rodriques, 157 Hillcrest drive; June Thompson, 661 Fourth avenue, San Bruno; and Pat Hancock, 858 Brunswick street.

To pass these tests, the girls were required to swim 40 feet and back, dive, jump in feet first and swim another 80 feet.

INDIANS OF RHYTHM

A vote was taken by the students to choose the ten top tunes and a hit parade was held, Friday, by the Indians of Rhythm, and the songs that got the most votes were played and sung.

Daisy Yonan, LaVern Ledesman, Lillian Altman, and Virginia Nestor rendered the vocal selections.

Barbara Gregor, new piano player for the band, made quite a hit when she played the solo part in "Back Beat Boogie."

Howard Miguel, instructor and leader of the popular group, brought down the house with his hot drum playing.

Next activity on their calendar will be playing for an afternoon dance, this month. Mrs. Dorothy Pendergast, instructor in charge of the Red Cross drive at the school, asked the band to play for the benefit dance.

Admission to the affair will be the wearing of a Red Cross pin.

Open House

All students were asked to invite their parents to open house, Tuesday, April 13. This will be in connection with Public Schools Week.

A panel drama, music and vocal selections will be on the entertainment program.

The friends of the **Warren L. Merediths,** Daly City, recently received the announcement of an addition to their family. Their daughter was born, February 27, in San Francisco.

Mr. and Mrs. Felix R. Noteman, Daly City, are receiving the congratulations of their many friends upon the birth of a son, March 9, in San Francisco.

Emydian Institute Name Social Committee

Four members of Emydian Institute No. 154, Y. L. I., were chosen, at a recent meeting, to serve on the social committee for their next get-together, Friday evening, March 26. Miss Rosemary Flanagan will act as chairman, assisted by Mrs. Dina Rossi, Mrs. Angie Varni, and Miss Nilda Massaglia.

Birthdays of Mrs. Louise Zanetti, Mrs. Caterina Casentini, Mrs. Margie DeMatei, Miss Lola Guisti, Miss Kaye Abrami, Miss Caroline Migliore and Miss Margie Fuchs will be celebrated.

It was decided by the group to receive Holy Communion in a body, Sunday, March 28, at the 8:30 mass at Holy Angels parish.

The attendance prize was won by Miss Migliore. At the close of the business session, Miss Mary Belli gave an interesting talk on the quarterly meeting of the National Council of Catholic Women.

ROYAL NEIGHBORS

Mrs. Doris Davis, 462 Miriam street, was hostess to the ladies of the sewing group, Vista Grande Camp No. 6035, Royal Neighbors of America, Tuesday evening, March 9.

The evening was spent playing Dutch whist. Refreshments were served at the close of the game.

Those who attended were: Mrs. Anna Smith, Mrs. Clarise Scott, Mrs. Marie Thompson, Mrs. Emilie Twesten, Mrs. Lucy Nelson, Mrs. Mary Sernack, Mrs. Gertrude Gehringer, Mrs. Anna Romer, Mrs. Marie Rucker, Mrs. Cinderella Weller, Mrs. Grace Coolish, Mrs. Lillian Gray, Mrs. Lillian Parker.

Next sewing meeting will be held at the home of Mrs. Romer, 87 Shakespeare street. She will be assisted by Mrs. Rucker. Date of the affair has been set for Tuesday noon, March 23.

Regular meeting of the camp will be held, tomorrow evening, at 8 p. m., Eagles hall.

Beverly Sundermann Celebrates Birthday

"Happy Birthday to Beverly" were the words written on the huge birthday cake presented to little Beverly Sundermann on her fourth birthday, Thursday, March 11.

Beverly is the daughter of Mr. and Mrs. Henry Sundermann jr., 32 San Pedro avenue. Sundermann is a popular officer on Daly City's police force.

Twelve of Beverly's little friends were present to bestow congratulations on her. A luncheon was served, followed by the playing of games, with winners receiving little prizes.

Those present were: Billy Corkey, Jimmy and Carole Kay Costello, Tommie Conneally, Janice Killalee, Ronnie and Dennis Sullivan, San Francisco; Ronnie and LeRoy Davis, Georgie Ambrosio, Darlene Cecchi, and Lilianne Boynton.

Mothers of the little guests were entertained at a luncheon.

Jeff To Take Part In Relay Carnival

The annual PAL Relay carnival, to be held, Thursday, March 25 at Sequoia high school, will find approximately twelve track and field athletes from Jefferson Union high school competing in the four weight classes, it was announced, today, by Track Coach Elman Rose.

A comparatively small squad, Jefferson runners will be aiming at blue ribbons rather than piling up team points against numerically larger opponents. Although Coach Rose has not yet announced the team, much of the talent is expected to be from yesterday's interclass meet held at the high school athletic field.

Events at the Relay carnival will consist of shuttle relays, medleys, and straight four-men relays, ranging in distance from 50 yards to the 2 mile event for varsity competition, in which each contestant runs 880 yards.

Originally scheduled for last week, the meet was postponed until next Thursday.

known European banker. He will assume his new duties April 1.

Greeting the opportunity to participate in the great development in California and the far west which may be expected to follow the war, Jeidels stated that this area always had represented to him a combination of vast resources and vigorous population endowed with courage and enterprise.

Reconstruction after the war, he stated, is fascinating in its prospects for individual and joint effort to achieve at least some of the results that are in mind. He pointed out, however, that the postwar period will call for sound principles, wisdom and discipline —statesmanship on the part of government and self-discipline on the part of the people.

"Sound counsel and judicious foresight will be required," he declared. "Courage to expand a great nation's activities into distant and unaccustomed ventures will be indispensable in the position in which this war has placed the country."
